New business:

1. Jeff Porter introduced the membership to the new Board.
2. Billy Sandlin took the podium as our new president.
3. Southlake's new RFS and irrigation rules were discussed. Need to be a licensed irrigator to test backflow or Rain/Freeze sensors on irrigation systems. Flower Mound and other cities may soon follow.
4. New Irrigation rules from TCEQ were discussed. Effective 1-1-09 and 2010. (May be the topic at a presentation in the near future.)
5. Discussed new rule in Dallas and Richardson, re: ball valve and strainer upstream of DC. Clarification is needed.
6. Mention was made of DIA sponsored lecture on July 22, 2008 at Texas A&M University-Dallas Research Center, 17360 Coit Road, Dallas, TX 75252 (Pavilion Bldg.)
7. Mention was made of the "2008 Public Drinking Water Conference: Information and Tools For Public Water Systems" to be held August 19-20, 2008, at the Double Tree Hotel Austin. This **FREE** two-day seminar is open to water system representatives including operators, managers, engineers, and anyone interested in drinking water related topics. More information is available at the Public Drinking Water Conference web page at:
